

**RECEIVED FROM RICK ROTTKAMP JOE MCGARRY HONOREE**

Thank you for sharing it with everyone. I love the picture; it hangs on the wall in my office. Joe told us all not to smile, Ha!

It was Antuns and I think it was the 5th anniversary of the 'Hostile Takeover',

Trivia Contest / DJ

Drink Specials: \$3 Beer

\$4 International and \$5 Wine  
\$6/7 Mixed Drinks

- **On March 18 we visited the Plaza Resort @ Spa in Daytona Beach** We toured the hotel and spoke with management. Most hotels are in Covid Protocol and under new management, have new staff and are shorthanded. The hotel was built in 1888 and is in the best part of Daytona beach.
- **Location.** The best thing about the hotel is its location. It is within walking distance 5 minutes from all the attractions. Across the street is Sea Breeze Ave. It has bars restaurants, and a Walgreens A Waffle House is in close Proximity. There are also a nice souvenir and T shirt store across the street. To the left has timeshares the boardwalk shopping restaurants and other things to do. all within a 5-minute walk. It is ideal for couple's groups and people traveling alone No car uber is necessary
- **Checking in** Check in is to the right as soon as you enter. Check in is at 4pm but I will have early check in. Employees will be present to help. Resort entry and units are accessible by RFID wristbands

that you are provided at check in. A badge will be given to identify you as part of the Black Patch reunion. This will entitle you to all drink promotions. Ensure you are charge correctly. A welcome package will be distributed You will also get a 20 percent discount on food at the restaurant across from the check in.

- **Check out** is simple Call concierge and drop your wristband in a box.
- **Reservation instructions** have been provided. See the flyer.
- **Hotel description** the hotel rooms are nice and clean Any issues I will be present to assist. You can text me or come to my room The architecture is nice. There is a long bar in the lobby with seating. The banquet rooms are to the left.
- **Pool** There is one large pool on the deck with a bar adjacent. Lounge chairs and umbrellas. Bring beach chairs as city ordinances forbid the hotel to have them on the beach
- **Dinner** Due to the shortage of employees No banquet. Buffets only. I had to negotiate prices as food prices are high. Beef was very expensive. Friday is a meet and greet dinner. We will have an opportunity to meet our transit family members Saturday is heroes' night something new There will be a few honorees with speakers. A local DJ was hired and paid for by me two nights. A variety of music will be played. an additional bar tender has been hired by me.
- **Thanks** to Allan Berkowitz we will have a representative from Aetna to discuss the benefits of their service
- **Please understand** I run the Black Patch group It's an organization to bring us together and keep our transit family together. I started this 3 years ago with party's luncheons and travel events. God has saved my life 4 times I do almost everything alone but do get advice. Please understand this is my first reunion alone. If you have any issues or concerns, please address them to me no one else. If you have a great time Awesome. This has been a lot of work and stressful.
- **There is one problem** I'm addressing. I signed a contract for a 15-dollar parking fee. I'm trying to resolve this.
- **Right now**, 31 people have registered. Most are staying for 3 days. Looking forward till Sept.

**PRAYER REQUEST**  
**WIFE OF KEVIN HICKEY**

LOU: IT SEEMS THAT THE ONLY TIME I CONTACT YOU IS WHEN I NEED SOMETHING. FOR THAT I APOLOGIZE. IF YOU COULD, PLEASE PASS THIS ALONG ASKING ALL FOR A QUICK PRAYER FOR MY WIFE JUDY. THIS PAST WEDNESDAY JUDY WAS ADMITTED TO PRINCESS ANNE HOSPITAL IN VIRGINIA BEACH. SHE WAS TENTATIVELY DIAGNOSED WITH A URINARY TRACT INFECTION COMPLICATED WITH BLEEDING. AFTER A CT SCAN IT WAS FOUND THAT SHE HAD A TUMOR IN THE ABDOMEN. THEY WISH TO TAKE CARE OF THE INFECTION FIRST THEN TRANSFER HER TO ANOTHER HOSPITAL WHERE THEY SPECIALIZE IN TUMOR REMOVAL AND CANCER FOLLOW-UP. UNTIL WE SEE THE SPECIALIST, WE DO NOT KNOW THE SEVERITY OF THIS GROWTH. THANKS, KEVIN [khickey2918@yahoo.com](mailto:khickey2918@yahoo.com)
